FOR IMMEDIATE RELEASE-APRIL 9, 2020

By Executive Order by Governor Cuomo, the Tompkins County DMV has been closed to the public for all **in-person** transactions until **April 30th**.

We are currently accepting **all** registration renewals – **by mail** – to 301 Third Street Ithaca, NY 14850.

We will now be accepting **new** vehicle registrations through private sales to be processed in our Ithaca office – **by mail only**. This will allow for the transfer of vehicle registrations.

Individuals can send in:

- MV82
- DTF802
- Proof of insurance
- Title
- Copy of license
- Blank signed check made payable to the Tompkins County Clerk

The DMV will send you back a copy of your check along with your registration and plates.

We will also be processing plate surrenders by mail. Send the plates in with \$1 cash and a self-addressed stamped envelope.

All vehicle registrations, licenses, and inspections have been extended during this crisis by Executive Order.

The federal government has extended the deadline for REAL ID licenses by a year. The new deadline is now October 1, 2021.
